

# Brandt Neutra Clean

Spray Tank Cleaner & Neutralizer

NEUTRA CLEAN is an extremely powerful cleaner/emulsifier. It re-emulsifies and suspends spray tank residues so that they may be removed from the interior of the spray equipment. NEUTRA CLEAN has built-in water softeners so that it can work well in hard water locations. NEUTRA CLEAN is non-toxic and non-flammable.

## DIRECTIONS FOR USE

To clean and neutralize, use 1 quart per 100 gallons of water, or 1 gallon per 400 gallons of water. Circulate or agitate tank for 5 minutes, then flush solution through the pump and discharge lines. After discharge, thoroughly rinse interior of tank with clear water and rinse again.

## CAUTION: KEEP OUT OF REACH OF CHILDREN

Contains Alkaline detergents. Do not take internally. May cause eye irritation. Avoid contact with eyes. In case of eye contact, flush with large amounts of water and consult a physician immediately.

**Warranty:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.

Dispose of container in accordance with local, state and federal regulations.
